

Google Sign-in

Do you need to create a Google account to use some Google features?

1. Click the "Create account" link in the lower left of the Sign in dialog:

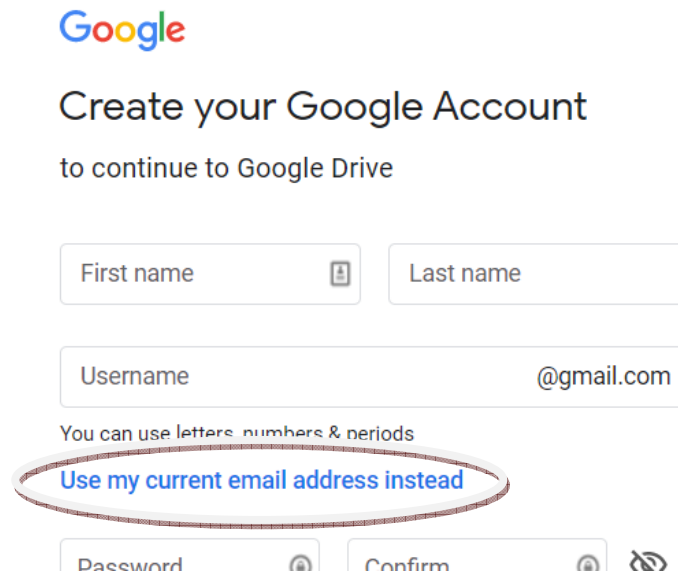

2. Specify "For myself":

Google Sign-in

3. To use your own email address instead of creating a @gmail.com address, click "Use my current email address instead":

Google

Create your Google Account

to continue to Google Drive

First name Last name

Username @gmail.com

You can use letters, numbers & periods

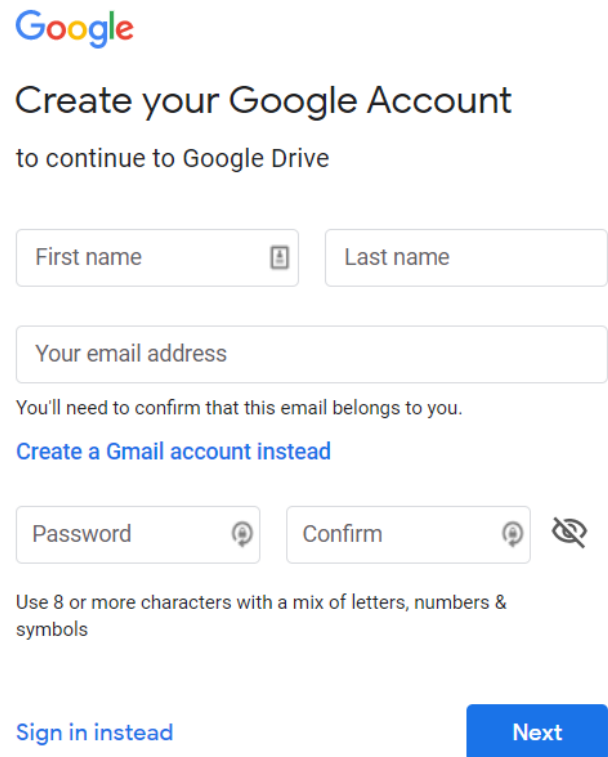

[Use my current email address instead](#)

Password Confirm 

4. Fill in the fields to create a Google account:

- First name
- Last name
- Your email address
- Password (Use 8 or more characters with a mix of letters, numbers & symbols)
- Confirm (Enter your password again, and write it down!)

Then click Next.

5. Google sends a verification code to the email address you entered. Enter the code in the next dialog, then click Verify.

Verify your email address

Enter the verification code we sent to paulheft@yahoo.com. If you don't see it, check your spam folder.

[Verify](#)

6. In the "... welcome to Google" dialog, you may skip the phone number but enter the other fields:

- Month, Day, and Year of birth
- Gender

Then click Next.

Paul, welcome to Google

📧@yahoo.com

Phone number (optional)

We'll use your number for account security. It won't be visible to others.
